Unused Section Space 1

What do we want for our kids?

Love and Care

- Security
- Safety
- Healthy
- Freedom

Esteem

- Confidence
- Social Skills
- Happiness
- Success

Citizenship

- Integrity
- Education
- Social Responsibility

Some questions to start...

pptPlex Section Divider

The slides after this divider will be grouped into a section and given the label you type above. Feel free to move this slide to any position in the deck.

Some Questions...

- How many of you have a **personal profile** online?
- Who has **posted videos or pictures** of themselves or their family online?
- Who here engages in **IM? Texting?**
- How many of you have an **iPod/iPhone?**
- Who plays **video games?**

Presentation Intentions

pptPlex Section Divider

The slides after this divider will be grouped into a section and given the label you type above. Feel free to move this slide to any position in the deck.

Learning Intentions

- To examine our **children's use** of technology
- To increase **your awareness** of the potential challenges around technology use
- To provide you with **support and resources** to better understand these issues
- To encourage **practical, proactive parenting strategies** to maintain connections with your children

In OUR day...

The slides after this divider will be grouped into a section and given the label you type above. Feel free to move this slide to any position in the deck.

Remember When...

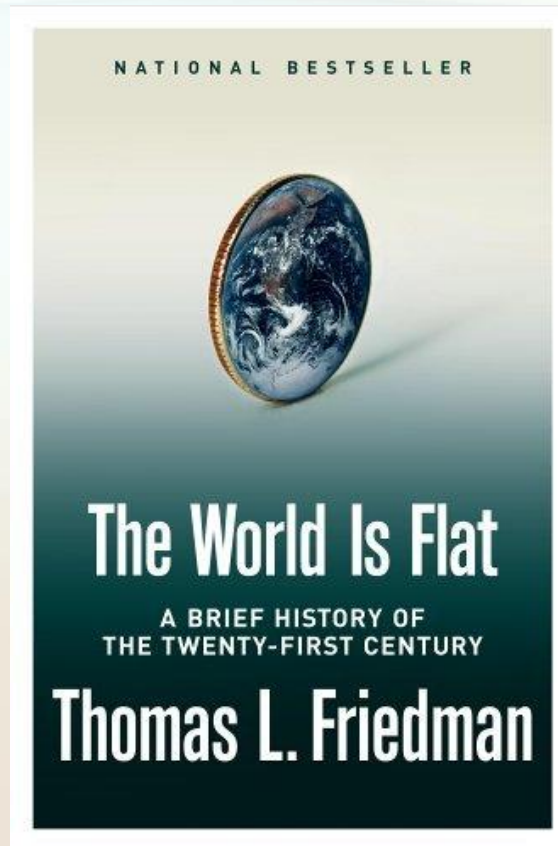

- Life was a lot simpler when we were kids...

Right???

The World has changed...

- **Thomas Friedman** *“The World is Flat”*

While we were busy growing up...

- **The fall of the Berlin Wall, and the rise of the Windows PC**
- **Wiring – the dot com era**
- **Outsourcing**
- **Web 2.0 tools (move from passive retrieval of information to creating and sharing knowledge)**

Today for our kids

pptPlex Section Divider

The slides after this divider will be grouped into a section and given the label you type above. Feel free to move this slide to any position in the deck.

For our children...

- Our children have never not known the Internet
- There has always been only one Germany
- DNA has always been admissible in court
- They are wireless, yet always connected

- They have outgrown faxing as a means of communication
- “Google” has always been a verb
- Text messaging is their e-mail
- They have rarely mailed anything using a stamp

The 4th Screen

What are their needs?

- **Even though the world has changed dramatically, our kids “needs” remain the same**

Why do they go online/use technology? What needs does it meet?

- **Fun**
- **Independence**
- **Communication**
- **Connection**
- **Adventure**
- **Creation**
- **Sense of Belonging**
- **Risk**
- **Being heard**
- **Identity**

The Places they go and why...

Dave Sands

Dave completed the quiz "Which Jedi are you?" with the result **Anakin**.
You are reckless and easily manipulated. You are also paranoid about death.

More Questions...

pptPlex Section Divider

The slides after this divider will be grouped into a section and given the label you type above. Feel free to move this slide to any position in the deck.

Possible Questions for me...

- **How much technology should I allow my children use?**
- **What can I do about issues around email; msn; social networking?**
- **How do I prevent these issues from happening?**
- **How do I learn more about tech and the issues surrounding it's use?**
- **How does this help my parenting?**

Some more questions for YOU...

- **Where** is/are your computers in your home?
- Do you place **limits** on your Children's computer use?
- Who has had a **conversation** with their child about Internet Safety or Cyberbullying?
- Who here has adopted **family expectations** for children around online/computer use?

The answers – well kind of...

pptPlex Section Divider

The slides after this divider will be grouped into a section and given the label you type above. Feel free to move this slide to any position in the deck.

What are WE going to do about it?

- **Generate expectations (Proactive)**
- **Have the conversations and generate ownership**
 - **Prompts (YouTube videos, case-based scenarios, teachable moments)**
- **Establish a response “plan” (Reactive)**
- **Be available to “support not punish”**
- **Preserve your attachment**

Be Involved and connected...

- **Get online...**
- **Communicate...**
- **Share...**
- **Interact...**
- **Play games...**
- **Watch...**
- **Create...**
- **Engage...**

...with THEM!

Homework...

- 1. Visit my **Wiki page** and look at 3 different articles/videos.**
- 2. Go online and establish 3 new accounts on **web 2.0 tools** (e.g. Facebook, Club Penguin, MSN, Youtube, ePets, Twitter, WebKins, etc.).**
- 3. **Talk** to your child/ren about one or more of these tools.**
